NORTH WOLWICH GARDENS.

Having taken a New Lease of these popular Gardens for 21 years, direct from the Freeholder, I have made important Alterations and Additions, and now the improvements are complete; no Gardens in England can surpass these. A New Picture representing the GOLDEN HORN, CONSTANTINOPLE, is placed at the back of the Lake; this is the Grandest Panoramic Picture ever painted. A NEW DANCING PLATFORM and a New Covered Pavilion, 140 feet long by 50 feet wide, is erected for Dinners and in the Evening for Dancing. Grottoes, Fountains and Statuary in all parts of the Gardens. Several Views of Charming English Scenery are modelled and placed in different parts of the Grounds.

THE THEATRE AND BALL ROOM are entirely Re-decorated. Several important improvements are made in the Hotel. A GRAND BALLET will be played each day, with a selected Corps of Ladies of the Ballet, comprising the most Charming Danseuses from all the principal Theatres.

THE WHOLE OF THE REFRESHMENT DEPARTMENT re-organised, and every comfort will be studied to make this the abode of bliss.

ALL THESE NUMEROUS ATTRACTIONS are completed, and the Gardens are open for the regular Summer Season.

Your obedient Caterer,

W. HOLLAND, Sole Lessee.

GRATEFUL—COMFORTING.

EPPS'S COCOA.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately-flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette*.
